

## The Journey Starts here with ZMG...

Come and join the ZMG Team at Boca High for a tennis experience like no other. We offer programs for players at every level of development from beginners and intermediate players in the Future Stars through to advanced juniors and professional players in our Tournament Training Team and ZMG Pro Team. Each player will be introduced to a fun and positive environment, with a world class staff who are dedicated to maximizing each players talents. The players participating in our Pee Wee and Future Stars program will be introduced to a fun, exciting and challenging program that will also introduce them to match play and tournament competition.

### Lessons

Private lessons and semi private lessons are a very popular program that ZMG Boca offers to all of its players. The one on one lessons or semi private lessons are a perfect way to compliment all the hard work done in the group sessions and give the players the chance to focus on some special needs, to get a certain stroke worked out and make some big improvements. For more information on a private lesson or to book a time for you or your child, please speak to one of the directors at ZMG Boca on 954 404 4567 or email us at [info@zmgboca.com](mailto:info@zmgboca.com).
